

ACKNOWLEDGEMENT

I would like to give great thanks to my Advisory Committee, Assistant Professor Associate Professor Dr. Kamolrat Intaratat as Chairman for her valuable advice and for guidance throughout the whole thesis process, Associate Professor Dr. Savitree Rangsihaht and Mr. Suchoti Daosukho as Major and Minor Advisors, respectively, for their helpful suggestions.

Also, this thesis would not be completed if there was not great support from my mom and my brothers. Thank you very much for everything. I also would like to give my special thanks to Khun Kik and all my friends for always giving me great support and inspiration. Moreover, I would like to thank all the respondents for their cooperation.

Lastly, I would like to say thank you again to everyone who had a part in accomplishing this thesis.
