

CHAILAK PIRUNGKAPOURAH : THE APPLICABLE LAW OF THE WRONGFUL  
ACT IN THE ASPECT OF PRIVATE INTERNATIONAL LAW. THESIS ADVISOR:  
ASSO.PROF.CHUMPORN PACHUSANOND,Ph.D.313 pp. ISBN 974-334-564-7

The problem of The Applicable Law of International Wrongful Act is closely linked to Private International Law. It is a complicated topic which has not received sufficient attention in Thailand. This may due to the decisions related thereto. However, at present there is increasing contact between the citizens of different countries and this link is facilitated by improved communications between Thai and foreigners. But The Choice of Law Act B.E.2481 which provided in the section 15 that the law of place of tort was the applicable law has not reviewed and revised to be in line with changed social.

These elements have induced this thesis aims to studied and analyzed the applicable law of the wrongful act in the aspect of Private International Law and which way that it should be amended for the appropriate and sufficient principle.

The methodology adopted is directed at finding a suitable model for International Choice of Law rule for Tort on this matter. It is aimed to providing the greatest understanding and concerning The Applicable Law of International Tort which is widely accepted outside Thailand. Consequently, trend for accept these rules and supplement national law to ensure greater justice in the law and practice as well.
