

## **ACKNOWLEDGEMENT**

I would like to express my sincere gratitude to my advisor, Assoc. Prof. Dr. Thongchai Srinophakun for his encouragement and valuable suggestions to this work. I would like to acknowledge Dr. Chanin Punjapornpon for his help and suggestions to provide me an initial motivation for this work. I would like to show my appreciation to many people to help and to support me for performing this work. I would like to acknowledge Mr. Apinan Mala-on for his advice about LabVIEW application, Mr. Torranin Phuntha, and Mr. Yongyut Innurug for their electrical wiring skill, and Mr. Veerayut Lertbumrungsuk for helping and suggestions.

Furthermore, I am also grateful to my committees for helpful comments and suggestions. Finally, I would like to express gratitude to my parents, brother, sisters, and my friends for giving me a chance and recommendation with love.
