

## **ACKNOWLEDGEMENTS**

I wish to express my sincere gratitude to my advisor Assistance Professor Dr.Phaisan Wuttijumnong who looked after me through the study. I would like to thank him for his guidance, support and kindness. I would sincerely thank to my co-advisor, Professor Dr.Keshavan Niranjana for his valuable time to teach and guide me. Without their support and kindness this thesis would not have been possible. I am grateful to my committee members, Dr.Saowanee Lertworasirikul and Associate Professor Dr.Sukoncheun Sringam for their time and expertise to guide me throughout my research. My sincere thank is given to Associate Professor Dr. Ngamtip Poovarodom for her time and serving as the Graduate School representative. In addition, I would like to thank Assistance Professor Dr Pasawadee Pradipasena for her time and support.

I also thank all my friends and colleagues at Kasetsart University, Burapha University and The University of Reading, UK for their friendship.

I would like to acknowledge to Commission on Higher Education, The Royal Thai Government for funding of my Ph.D study.

Last but not least, I would like to express my gratitude to my parents for their loves, constant support and encouragement.
