

ACKNOWLEDGMENTS

For the completion of this independent study research, I would like to acknowledge the contributions of others who are very important to me. This study would not have been completed without the following people:

Associate Professor Supong Tangkiengsirisin, my independent study adviser, who gave me his valuable comments, guidance, recommendations and effort for completing the research.

Dr.Supanee Jivasak-Apimas, my research methodology teacher, who helped me learn about research proposal, thinking system and doing a good research.

Assistant Professor Dr.Chulaluck Komoltri, my research methodology teacher as a guest speaker, who reviewed statistics and guided my SPSS at the beginning.

Assistant Professor Aree Sa-ardavut, my statistics teacher, who taught me in detail the needed statistics, SPSS using and data analyzing.

All respondents at Siam Square who answered the questionnaires.

Finally, I would like to thank my lovely friends and family who always stand by me all the time and support me in every way. Their understanding and encouragement throughout my study are much appreciated.
