

ACKNOWLEDGEMENT

I would like to express my sincerest gratitude and deep appreciation to all the persons who assisted in the completion of my master project. I am greatly indebted to Assistant Professor Doctor Sutat Nakjan, my advisor, who has always been willing to share his knowledge and ideas for my work. Moreover, He always cheers me up with his kind heart and led me to this day. I would like to express my deepest gratitude to Assistant Professor Doctor Sarita Buakhieo and Doctor Chomyong Toatong for their valuable advice and giving me suggestion. Many thanks to Mr. William Booth for editing this thesis.

Also, I am indebted to Miss Saengdao Thinhanwong and Mrs. Thasanaphan Yamkong for their help in revising my questionnaire and express some useful opinions for my thesis.

I would like to thank the second year English and business English major students, academic year 2010 who kindly gave truthful responses to both my questionnaires and the test.

I must express my deepest appreciation to my dearest father and mother who always take care of me and are always beside me through every step.

Finally, I also would like to give my special acknowledgement to the writers and authors of the various works whose names are listed in the bibliography.
